Smt. Kundanben Dinsha Patel Department of Information Technology

Minimum Criteria for PLACEMENT ELIGIBILITY

Policy

All companies are classified into two categories

- Category A - 6 Lakhs Per Annum (LPA) and above
- Category B - Below 6 Lakhs Per Annum

There are three kinds of offers that are possible:

1) Internship + Job (I+J)   2) Job (J) only   3) Internship (I) only

Eligibility Criteria to seat in placement drive

Someone Said "Preparation is the key to success" but we say before preparation it is more important to know that, Are we eligible to go through with whatever we are preparing ??

Below is the on Campus Placement Eligibility Criteria for B.Tech Fresher. All criteria must be fulfilled to sit in the placement drive.

1. **CGPA :** Typically, we need to maintain a CGPA of 7/10 for attending interview rounds for most of the reputed companies. The eligibility requirement for minimum aggregate score varies from year to year and from company to company but eligibility criteria is 60% aggregate or above throughout academics

2. **Certifications/ Apprenticeship/ Achievements:** Many financial companies lookout for certifications such as AWS, CEH, CHFI, ECIH, CISCO etc. Digital Marketing companies usually require Google and other domain-specific certifications. Sometimes, Operations companies seek candidates with Six-sigma certification, Project Management certification, etc. NPTEL and coursera certification is also considered. **At Least two Certification is must before placement drive starts.**

3. **HackerRank/CodeChef/LeetCode etc.** : Your coding platform score must be above a specific threshold and will be informed by the faculty placement coordinator before placement season starts. **Candidate will not be allowed if he/she has not participated throughout his/her academics on such kinds of platforms.**

4. **GitHub :** Every project candidate has developed in previous semesters needs to be uploaded in GitHub.

5. **Blog** : At least one blog must be created on which content/article related to your specific domain is published by the candidate.

6. **Aptitude sessions** : All sessions must be attended by the candidate organized by the Department in the 6th Semester. **If sessions are not attended by the students then he/she will not be eligible to participate in the placement drive.**

7. **Endorsement** by internship provider in linkedIn is required.
